Roofing Project: We are grateful to God for the ministries He enables NCC to have in this community because of the truth of the Gospel concerning Jesus suffering, death and resurrection for our sins. We are blessed to have this wonderful facility as a center for these ministries. The Elders Board would like to give the congregation the opportunity to contribute to a special offering for our much-needed re-roofing project this summer. The goal for this offering is \$20,000. If you would like contribute to this need and special offering, please mark your offering for this purpose on or before Easter Sunday, April 16.

NCC Pastoral Search Up-date: The team has met and is working on how to describe the pastoral position offer for websites. The team will be meeting each Monday to plan and consider résumés. Pray that person of God's clear choosing will come forward soon to consider this opportunity.
